## **A VERY WARM WELCOME TO OUR SPRING SEASONS COLLECTION 2025**

Greeting cards continue to play a key role in connecting with loved ones and special friends. At a time when support and encouragement are needed more than ever, a few well chosen, hand written words in a beautiful greeting card can mean the world to the recipient. We have significantly updated our Spring Seasons selection for 2025 by adding a host of new designs, combining richness of content with special finishes and value, all produced by our award-winning brands in Britain and Europe.

Within this edition we have added other relevant sending events over the Spring calendar including St Patrick's Day and Key Cultural Festivals to help you maximize your sales throughout 2025.

Thank you for your continued support. We look forward to working with you across these much loved events.

**EVER GRATEFUL,  
VANESSA & ALAN**
